WEBINAR: INTRODUCTION TO AI

WHEN

Wednesday
February 7, 2024
12pm-1pm

COST

$10

Unlock the power of artificial intelligence with our one-hour "Introduction to AI" workshop! Join us for an engaging session designed to demystify the world of AI chat bots and equip you with the essential knowledge to integrate this cutting-edge technology into your profession. Whether you're a seasoned professional or just starting out, our workshop provides a comprehensive overview of AI fundamentals, focusing on chat bots and their practical applications. Our expert facilitators will guide you through the basics of AI, highlighting its significance in today's rapidly evolving digital landscape. Discover how AI chat bots can streamline your workflow, enhance customer interactions, and revolutionize your professional practices. Don't miss this opportunity to gain valuable insights and hands-on experience in a supportive learning environment.
